

SBU Email Features

SBU email: Your St. Bonaventure University account is created automatically when you become an SBU student. Your official SBU email will be used for official communications from various campus offices and faculty. Access your student email through the icon shown on the right.

Mailbox Features:

- 50 GB of mailbox space!
- 20 MB attachment size limit
- Access email, contacts and your calendar from your smart phone
- You can keep your Bonaventure mailbox when you graduate!
- Share your calendar with coworkers, colleagues, family or friends.
- OneDrive (Previously known as SkyDrive)-Your own online storage!

****Any information previously imported to SkyDrive can be accessed through the OneDrive URL <https://onedrive.live.com/about/en-us/>. If you go to the SkyDrive website, you will be forwarded to the new OneDrive website.**

About OneDrive:

- Sign into email with SBU email and password
- 1 TB of free, password-protected online storage
- Access with virtually any Web-enabled computer or mobile device
- Drag and drop files from your computer to the web
- Newsfeed- Start or follow a newsfeed, blog or conversation with people you know.
- “Shared folders” option if working on a project with classmates or coworkers
- Download the free OneDrive App and access or upload documents and pictures anytime, anywhere!
