How do I get my school email on my smartphone? (iPhone, Droid…)

Setting up mobile devices to your Bonaventure email account

Students can setup your Bonaventure email to mobile devices such as phones or tablets by following the directions provided in the settings of your account page. Below are a few steps and pictures that should help you with this process.

If you have any questions please contact the helpdesk at 375 – 7600 or helpdesk@stbu.edu

1. Log into your Bonaventure email account either through my.stbu.edu or directly at https://login.microsoftonline.com
2. Click on the “cog” in the upper right hand corner which is your settings menu
3. Click “Options”
4. Click on the link that says “Connect your mobile phone or device to your account”
